6th March 2026

The older performing arts group of children performed in assembly this morning in front of the whole school. They gave us a wonderful rendition of 'Consider Yourself' from the musical Oliver. They were amazing and showed no nerves performing in front of over 200 people. Everyone in school is extremely proud of you.

Thank you to Miss Haslam and Mrs McMahon for running this club.

Performing Arts Club

Fabulous whole school attendance this week with an amazing **97.3%**, with every class above 95%.

Well done everyone and thank you for your support.

World Book Day

The children and staff took on the challenge to dress up for World Book Day and they did not let us down. The children all looked amazing either dressed as a book character or all snuggly in pjs. This year we asked for a donation of £1 and thank you for your support with this, we raised just over £200. The money raised will go towards enriching our classroom reading areas.

End of Day Collections

A quick reminder to parents and carers, if someone different is collecting your child at the end of the day please ensure you contact the school office, either via telephone call or text message. This needs to be done in ample time before the end of the school day to ensure the message is passed to the class teacher. This ensures the children are safely released to the responsible person collecting them. If the teacher is unsure who is collecting them they will not be released until a call has been made by the office to the parent/carer.

Y4 Trip

The children in year 4 got the opportunity to visit Bolton Schools ICT unit last week to enrich their learning on the Anglo-Saxons in their history lessons this half-term-with a Minecraft twist. They returned very excited after the action-packed day which included developing their computational skills to answer a range of questions linked to this era and ended with them creating their own world linked to the topic in Minecraft. The teachers and staff at the unit complimented them on their behaviour and attitude to learning. Well done year 4.

Zero Tolerance

One of our top priorities at OLOL has always been and will continue to be to offer a safe, inclusive and welcoming work place and educational setting for children, teachers, leaders and all other staff. There is no place in schools for violence or aggression, whether that be physical, verbal or through social media. All staff in schools are entitled to a safe working environment free from violence and abuse. Such behaviour being displayed will result in those responsible being asked to leave the premises and future access to the school for those directly involved will be discussed at Governor level.
